To Whom it May Concern,

My name is Rhys Ogden, and I am proud to offer my recommendation of Sarah Hao. Over the last 6 months Sarah has overseen the design and delivery of my company website.

Throughout the development process I have found Sarah to be very punctual and responsive. She delivered all tasks at the required due date and followed up with solid support.

I am new to the process of developing a website, so the patience and understanding that Sarah showed as she guided me through the process, I found was so valuable to the overall experience. Sarah would always offer creative options to enhance the design, and the final product that she produced far exceeded my expectations.

I highly recommend Sarah Hao. If you wish to discuss my recommendation further, please do not hesitate to call me.

Sincerely

Rhys Ogden
